Newsletter 1/7/26

ParentPay

As we are nearing the end of the academic year, please could you make sure any outstanding payments are settled in ParentPay. There is a list of outstanding payment items outlined at the end of the newsletter, but there are also school meal balances to be paid off. If there is any credit left on your account at the end of the year, and your child is in Year 6, this will be credited to a siblings account or refunded.

Medication

An email was sent to parents of those children with medical requirements and medication within school; if you could please let us know if there are any changes to your child’s medication and send in new medication for September please.

If you didn’t receive this email, but require medication to be kept in school for your child, please contact Mrs Baird.

Break the Rules Day

Thank you so much to those who donated to the RSPCA today – Break the Rules Day raised £255.50! Your donation can help save an animal from cruelty, provide life-saving treatment and give the animals love and support. Thank you!
